• Introduction:

Introducing the NexStar HX4 – a quad 3.5" SATA to USB 3.0 & eSATA External Hard Drive Enclosure designed to keep all of your hard drives safe and cool. This enclosure features a hard aluminum shell that effectively draws away the heat while an active controlled 80mm fan on top exhausts the hot air from the enclosure ensuring your hard drives are protected and cooled. Integrated with USB 3.0 & eSATA technology; transfer files to and from your computer at blazing fast speeds. Backup, transfer, copy your data quick and easily with the Vantec NexStar HX4 enclosure.
